## FROM THE PRINCIPAL

Dear Parents,

### **THANK YOU**

I am overwhelmed with the support and praise from our School Community. When I have spoken to any prospective parents who are interested in sending their children to our school they always refer to a family they know that has said great things about Our Lady of the Way. I thank you for your endorsement.

### **A BIG THANK YOU TO EVERYONE**

As we near the end of Term, I would like to take this opportunity to thank the following people for their hard work and support:

Our Year 6 children who have done an impeccable job in leading the school.

Our School Captains who lead our Assemblies each week and who gave up their Wednesday evening to lead families around the school on tours.

Our Student Leaders who continue to set an example of excellence across the school.

The parent helpers who have assisted our students throughout the term.

The staff at OLW for their hard work and dedication to the children.

The school community for their support and for speaking so highly about our school.

And finally, thank you to all the beautiful children who bless our school with smiles and laughter every day.

### **END OF TERM ARRANGEMENTS**

Term 1 will conclude this week, Friday, 4th April at 1 pm.

The children will participate in an Easter Liturgy from 12.15 pm in the hall, parents and grandparents are most welcome to join us. This will be followed by our Easter Raffle draw.

### **BEGINNING OF TERM 2**

## OPEN EVENING & ENROLMENTS

Our Open Evening was a wonderful success with over 20 families coming along to see what our school has to offer! Our wonderful School Captains did an amazing job of running the tours and were certainly very busy. I would like to thank them for their incredible efforts and for our wonderful staff for staying back to chat with prospective parents.

**Parents please note: We have a limit of 25 places, so if your child is in 3 or 4 year old Kinder please complete and return an Enrolment Form as soon as possible. If you have other children enrolled at the school you will still need to complete an enrolment form for any new siblings.**

## PREP 2026 INFORMATION EVENING - TUESDAY, 29TH APRIL

## TheirCare Program

### KINGSBURY THEIRCARE

WEEKLY WRAP UP  
TERM 1 - WEEK 9

<p style="text-align: center;"><b>Monday</b></p> <p>To begin our reduce, reuse, recycle week, we decided to recycle toilet rolls and make toilet roll cars! This sparked awesome conversations about how we can re-use and recycle objects that would usually go in the bin, and turn them into such incredible things!</p>	<p style="text-align: center;"><b>Reminders</b></p> <p>We cannot stress enough the <b>extremely crucial need to be booking as early as possible AND communicating with us if plans change.</b></p> <p>We have a <b>strict 1:15 ratio</b> that we must uphold, and if there are late bookings or non-communicated cancellations, <b>this causes us to have inaccurate ratios.</b></p> <p>If your child is away from school or if plans change, a friendly but <b>CRUCIAL reminder to give us the heads up via a text or call - it goes a long way!</b></p>
<p style="text-align: center;"><b>Tuesday</b></p> <p>It felt very odd not having TC Titans on this week, but we still had an incredible time getting back into normal routines again and playing outside - today we had Tail Tiggy as an outdoor activity and this has always been a highlight activity that shines light on sportsmanship, motor skills and resilience!</p>	
<p style="text-align: center;"><b>Wednesday</b></p> <p>For another incredible sustainable art activity that ran this week, we decided to recreate old egg cartons into beautiful dragonflies! We brainstormed what resources we could use to make the transformation, and the children came up with so many creative ideas, it was great!</p>	<p style="text-align: center;"><b>Friday</b></p> <p>Kinetic sand was our main activity for ASC on Friday and this sensory activity is a great way for us to end the week.</p> <p>It allows for the children to have a calm and relaxing activity, yet still with open-ended creativity sparking opportunity as you can make anything with it!</p>
<p style="text-align: center;"><b>Thursday</b></p> <p>In our, open-ended Arts and Crafts challenges, we give the children free reign to make something within a certain theme! Our theme was sustainability, and we provided recycled materials to the children and encouraged them to be creative and create unique things! This was very popular so we will be embedding these challenges into the future planners!</p>
